# WHO WE ARE

## BE YOUR BEST VERSION

**ARMGODS** is one of the fastest-growing professional armwrestling promotions in the world, delivering elite-level competition, high-energy entertainment, and unforgettable fan experiences. Built on passion, strength, and community, **ARMGODS** is dedicated to showcasing the power of the sport while creating opportunities for athletes to perform on a global stage.

Featuring explosive Super Matches and an electric atmosphere unlike any other promotion, **ARMGODS** connects fans with the intensity, drama, and personalities that make armwrestling one of the most exciting strength sports today. We proudly support and promote current armwrestling superstars and legendary icons of the sport, while also developing the next generation of local talent across the UK, Ireland, Canada, and the USA.

Our professional platform enables us to host live events for packed audiences alongside high-quality PPV online streaming to a worldwide fan base. Through our events, media presence, and athlete partnerships, **ARMGODS** continues to expand the reach of armwrestling beyond the table — influencing mainstream audiences and building a powerful global community around the sport.

PACKAGES***

## **SPONSOR PACKS** (All packages are a one-time investment providing 12 months of promotional benefits)

We offer a range of sponsorship packages designed to provide businesses with consistent visibility, brand recognition, and direct engagement opportunities throughout the year. Each package delivers measurable promotional value through our events, digital platforms, and media exposure, ensuring your brand is positioned in front of a dedicated and growing audience.

In return for your partnership, **ARMGODS** provides strategic brand placement across event materials, online platforms, and promotional campaigns, alongside public acknowledgement and engagement opportunities with our community. For major showcase events, including Valhalla match productions, bespoke sponsorship packages can also be tailored to meet specific marketing goals and business objectives.
