

ALL-OVER PRINT PADDED SPORTS BRA SIZE GUIDE

This size guide shows body measurements. We suggest ordering a size up when your measurements are between sizes. For all horizontal measurements, please keep the tape measure parallel to the ground.

A Chest

Put one end of the tape measure on the fullest part of the chest and bring the tape around the back (under the armpits, over the shoulder blades) to where you started.

B Underbust girth

Put the measurement tape around your body, right under your breasts where the bra band sits.
